LifeStream Mobile Response Team is standing by and ready to serve!

Since schools are now closed until 4/15, we wanted to remind all our community partners that... the Mobile Response Team is available 24 hours a day in Citrus, Lake and Sumter counties. Anyone can call us!

Our purpose is to immediately respond when someone under the age of 25 is having a mental health crisis and they are entering Baker Act Territory. We can stabilize, de-escalate and get folks into immediate (short term) therapy or case management services.

Most of our calls have come from schools, but ANYONE can call! DCF, YFA, CHS, The Centers, Case Managers, Social Workers, Health Care workers, Boys & Girls Club, YMCA, Youth groups/ Ministers, First Responders, Moms, Dads, Cousins, Uncles.....

If you want assistance with getting a youth stabilized, de-escalated and into immediate services (thus avoiding the Baker Act) please call the Mobile Response Team at (352) 408-6625 .... 24/7!

Please note, for a Baker Act, call 911.

ANXIETY GROUNDING TECHNIQUE

Focus on your breathing, then identify:

- 5 things you can see
- 4 things you can touch
- 3 things you can hear
- 2 things you can smell
- 1 thing you can taste
**RHYTHMIC BREATHING TECHNIQUE**

Your breathing pattern is often disrupted by changes in emotion.

- Breathing rhythmically essentially involves observing your breathing. Your breathing rate slows down when following a relaxed rhythm. This relaxes the body and calms the mind.

- Rhythmic Breathing involves breathing in a fixed rhythmic pattern. Breathing in count to four 1-2-3-4 hold for four 1-2-3-4 exhale slowly for eight 1-2-3-4-5-6-7-8

  - Repeat

  - Inhale 2-3-4

  - Hold 2-3-4

  - Exhale 2-3-4-5-6-7-8

  - Continue until breathing has slowed down and you feel calmer.

Gratitude Journal
❖ The struggle ends when gratitude begins.
❖ Begin each day with a grateful heart.
❖ Gratitude makes a difference in your attitude.
❖ Gratitude dissolves negativity.
❖ Cultivate the habit of being grateful.
❖ We can choose to be grateful. No matter what.
❖ There is always, always, always something to be grateful for.
❖ It is not happiness that brings us gratitude. It is gratitude that brings us happiness.
❖ Practice gratitude:
  ❖ Each day, take one minute to write down three things you are grateful for from the past 24 hours.
  ❖ No repeats.
  ❖ Every day for 30 days.
❖ You will be amazed at how easy this will become over time. Gratitude is a practice which must be cultivated. Practice, Practice, Practice. 😊
