Core Values
Crystal River High School

1. A safe and caring environment is essential for the learning and well-being of all individuals.

2. Individuals and organizations are accountable for their behaviors and actions.

3. High expectations and challenging standards promote continuous improvement and high achievement.

4. All individuals can learn at different times, in different ways, and at different rates.

5. Mutual respect is a keystone of learning.

6. Recognition promotes higher accomplishment and self-esteem.

7. Community involvement and teamwork are critical elements in a high performing school.

8. We embrace the diversity of individuals, ideas, talents, and learning styles.

9. High quality education demands innovation and risk.

10. The balance of academics and extracurricular activities is essential for a well-rounded education.

11. Students require discipline and direction in order to be successful learners.

12. Open and honest communication is essential to effective human interaction.

13. Lifelong learning improves the quality of life.
