## **Core Values**

## **Crystal River High School**

- **1.** A safe and caring environment is essential for the learning and well-being of all individuals.
- 2. Individuals and organizations are accountable for their behaviors and actions.
- **3.** High expectations and challenging standards promote continuous improvement and high achievement.
- **4.** All individuals can learn at different times, in different ways, and at different rates.
- **5.** Mutual respect is a keystone of learning.
- **6.** Recognition promotes higher accomplishment and self-esteem.
- **7.** Community involvement and teamwork are critical elements in a high performing school.
- **8.** We embrace the diversity of individuals, ideas, talents, and learning styles.
- **9.** High quality education demands innovation and risk.
- **10.** The balance of academics and extracurricular activities is essential for a well-rounded education.
- **11.** Students require discipline and direction in order to be successful learners.
- 12. Open and honest communication is essential to effective human interaction.
- **13.** Lifelong learning improves the quality of life.
